## BUILDING BOOM STARTS IN ARLINGTON

### PARK BOARD STARTS WORK ON FIELD HOUSE

**Bonds Totaling a Possible \$43,000 Sold; Swimming Pool to be Completed Next Season.**

Believe it or not, Arlington Heights will have its swimming pool in operation by next season. Actual construction on the \$150,000 pool and field house was started this week, when 38 men reported for work Tuesday morning. Additional men will be assigned to this project as the work progresses. H. Potter, who is the superintendent, states that cold weather means nothing to present day builders and the construction work will continue on schedule except in extreme weather.

The board recently sold a bond issue to a Chicago firm which has contracted to take up to \$43,000, supplying the money as same is needed. The park board is prepared to contract for its share of materials as they will be needed and there appears to be nothing that can stop the final completion by next summer of Arlington Heights recreational center, including an 11 acre park, field house and swimming pool.

Paul Tager was appointed as purchasing agent by the park board at its session this week. An office properly equipped has been opened in the same quarters used by the WPA in the construction of the park last summer. A steam shovel is on the job. A construction office has been built and with the entire work properly organized it is expected that there will be a minimum of delay.

### Tax Collection Next Month

The penalty date for the second installment of the 1935 taxes will be February 1, 1937.

The township collectors will probably collect these taxes the last two weeks in January if the usual procedure is followed.

FOR THE LETTER WITH  
BEST ANSWERS SENT IN

### JOIN CONTEST NOW

1. Is it important to have clean rugs, furniture and mattresses? Why?
2. Can any porous cloth bag fastened exposed on the exhaust of a car, or on the opposite end of intake of any mechanical device, retain the smaller particles of dirt or dust? Why not?
3. Where does the fine dust from cloth bag go while cleaning? Do you smell dust?
4. Is cleanliness next to Godliness?
5. Can you think of a nicer Christmas gift with more practical value that enables you to breathe pure air while taking the dirt out of your house?

Send in your answers immediately to  
**Elmer B. Sachs**  
Box 441  
Arlington Heights, Ill.

Electrolux Cleaner and Air Purifier can be purchased for as little as \$10.00 down and \$6.00 per month. \$77.50 or \$69.75 cash.

Mail in your Christmas order now.

Cleaners are done up in lovely Christmas packages, all ready to be placed under your Christmas tree. Why wait?

### Four Schools Join in Christmas Tourney

EARLY EDITION  
NEXT WEEK

Next week's edition of this paper will go to press Monday night. This edition will carry a full list of the Christmas activities to be held in the community and the final Christmas advertisements for the guidance of shoppers. All news correspondents are urged to have their news at the office as early as possible on Monday.

### RELIEF NEEDS ARE MOUNTING IN COSTS

#### Wheeling Township Must Soon Sell Tax Warrants To Meet Rising Costs.

There is a steady increase in the number of relief cases being handled by Supervisor Charles Grandt and Gilbert Klehm, who are in charge of the Wheeling township relief headquarters. There are at present 150 families on direct relief with a total of 460 persons.

There are about 70 persons in Wheeling township on WPA work, according to the recertification held last week by WPA officials.

The Wheeling allocation for December from state funds is \$2,951 as compared to \$2,865 for November. The township will probably soon make a sale of tax anticipation warrants to secure enough cash to take care of the relief needs.

These warrants will be payable out of the 30 cents per \$100.00 valuation relief tax recently approved at a town meeting.

The average amount granted relief families at the Wheeling relief station is about \$30.00 per month. This sum includes allotment for food, fuel, rent, clothing, light, etc. One ton of coal per month is the fuel allotment. The Wheeling township relief station is located in the Kelling building and is probably furnished more sumptuously than any station in the county, thanks to Mr. Boeger, the lessee of the building, who has placed at the disposal of the relief office two attractively furnished reception rooms and convenient offices.

No particular hours are insisted upon for clients to call, either Mr. Grandt or Mr. Klehm, being on the job most of the time.

The situation in Palatine. Supervisor John H. Meyer of Palatine township reports that relief needs are steadily mounting in his township, seventeen new cases having been added to the relief rolls. The Palatine allocation for December is \$901.00 against \$1,100 for November, yet the call for this month is greater. Mr. Meyer reports fifty-eight families on direct relief and fifty-five heads of families certified for WPA work.

Many of those designated for WPA jobs have not been assigned to work for some time.

Judging from the loud voices raised in the relief station on Saturday mornings, some of the clients don't seem to appreciate the fact that Mr. Meyer is doing all he can with what he has to do with and that it is impossible to give some clients everything they think they ought to have.

#### ASKS BIDS OF LOCAL CONTRACTORS FOR NEW HOME

Supt. C. A. Wilson, of Morgan Park Realty Co., was in Arlington Heights Tuesday and in this issue of the Herald is asking for bids from local contractors for construction work on the new home to be erected on Haddow for G. F. Brennan, who is connected with the General Electric Co. Mr. Brennan has asked that as much work as possible be given to the local men. He also says that he has a number of friends who are considering locating in the Heights.

#### HOLD OVER NEWS

Due to lack of space the publishers are compelled to hold over to next week considerable news matter received for this week's issue. You will receive the next paper Tuesday afternoon.

#### "Flu" Epidemic Closes Roselle Public School

The Roselle public school closed Wednesday at the order of the board because of a "flu" epidemic. One third of the school children are said to be suffering from the disease, though none seriously. The school will remain closed the rest of the week as a precautionary measure. The parochial school remains open.

### ARLINGTON STORES OPEN EVENINGS

#### Offer Largest Display of Gifts in Recent Years.

A Christmas shopper has only to pass by the windows of the Arlington Heights stores to realize that the local merchants are well stocked for the Christmas season. The largest stock of gift merchandise in five years is being offered to the public. The windows of the Wilke jewelry store stands as an example of what can be found in other windows and upon the counters of the other stores.

The local merchants may not be using any free gifts propaganda this year, but they are offering real buys in which every customer is a winner—not only the one lucky person out of hundreds.

Those who do not usually get around to the corner of Evergreen and Miner street, will find it worth their while to visit the gift shop opposite the Arlington Theatre. The proprietor of this shop is bringing the finest in gift ware to Arlington Heights.

The Emerald shop, the Bootery, Giescke's, Hartmann's, Webster Shop, have all outdone themselves in Christmas merchandise. While a block west, there is the Dreyer Electric shop with the largest display of electrical goods ever brought to Arlington Heights.

Studtmann Bros. are offering furniture—and if they do not have in stock exactly what you desire, they are ready to get it for you. The Hagenberg 5c to \$1 store is filled full of Christmas ideas, while across the railroad the windows of the Reese Hardware store are very attractive to the boys and girls.

The Sieburg Drug Store has some very extra special Christmas bargains that they are telling about in this week's issue. Then there is the Arlington Haberdashery shop on Evergreen street with things the men will delight to receive on Christmas morning.

There are other places to do Christmas shopping in Arlington Heights—such as the Winkelmann Bicycle Shop, Heidorn's Sweet Shop, Arlington Music Store, Songhaven Aviators.

And if you desire to appear your best at the holiday social events, you can send your cleaning to the Emerald Cleaners and be certain of the appearance of your clothes.

Santa Claus will be at the Giescke store Saturday evening from seven to nine o'clock.

All in all, Arlington Heights is a good place to do your Christmas shopping.

### Rabies Quarantine Ordered By State in Wheeling Township

A serious outbreak of rabies has appeared in Wheeling township, there having been seven cases recently.

State officers from the State Department of Agriculture, have been in the territory and are demanding a strict quarantine. All town people and farmers are urged to cooperate in seeing that dogs are not allowed to run at large. The outbreak is particularly dangerous to owners of cattle.

A property owner has a right under the law to shoot any dog found running loose upon his property.

Richard Runge on Foundry road had a cow bitten this week. Previously Louis Bartholmew reported a horse had been bitten.

Supervisor Grandt of Wheeling township is sending a notice to all farmers in the township to be on the lookout for stray dogs and informing them of the strict quarantine that is now in effect.

Local police officers are asked that the accompanying rabies quarantine be enforced.

Anti-Rabies Vaccine Free to All

In the future, anti-rabies vaccine will be available from the State Department of Public Health entirely free of local cost for the treatment of all inhabitants of Illinois who need it. Heretofore, free distribution has been limited to those exposed to rabies who were certified as unable to pay. The change is in line with the general policy of the Department to make available to all the people of the State as nearly as practicable the specific means of preventing communicable diseases.

Preventive preparations are now available from the Department entirely free of local cost.

### ARLINGTON'S FUTURE

(An Editorial)

The future welfare of Arlington Heights will be in the hands of the village board Thursday evening when it meets in special session to receive a report from the local planning commission, regarding the building plans of H. Roy Berry subdivision.

Pressure is being exerted by the owners of the subdivision seeking the approval by the board of a comparative low restricting figure. The village commission has not made its recommendation public but it is an occasion which concerns every property owner who is interested in the development of the village.

The extent of the interest of the public will be shown that evening by the number of empty seats in that council chamber.

Too many neighboring villages have allowed themselves to be hedged-in with low priced houses which curtail any future growth of those municipalities, and tend to lower local property values.

Arlington Heights, except in a few isolated places, is free from such type of construction.

If you believe in keeping the town a choice resident community attend that meeting Thursday night and fill those seats in the council chamber.

#### Nut Shop Opened For Holiday Buyers In Arlington Heights

Since nuts are one item topping the list of Christmas holiday goodies, an exclusive holiday season Nut Shop has been opened at No. 8 So. Dunton avenue, Arlington Heights, for the convenience of Old Santa as well as local housewives for their holiday baking needs.

True to tradition—what would any Christmas seem like without plenty of nuts?

Mr. Frank Katzke, local proprietor of the store, has for the past two years been connected with the nut business as distributor in Chicago. He desires to assure readers of the high quality of fresh crop nut stock which he is offering through the local store only for the period of the holiday season, at prices that are right. See "ad" on page 3 of this paper.

He also wishes to call attention to the fact that special attention will be given, and special quantity prices quoted, to organizations and groups desiring quantity lots of nuts.

Store will be open evenings until 10 p. m., Saturdays until 10 p. m., and all day Sundays until Christmas. You are invited to call.

#### RABIES QUARANTINE

State of Illinois Department of Agriculture, by virtue of authority vested in the State Department of Agriculture under "An Act to Prevent the Spread of Rabies," approved July 8, 1927, in force July 8, 1927; amended July 8, 1933:

Because of the prevalence of rabies in Wheeling township, all Villages and Towns in Cook county, state of Illinois, it is hereby ordered that all dogs within the above area be either:

1. Kept confined within an enclosure from which escape is impossible, or
2. Kept restrained by a leash composed of chain or other indestructible material.

This order effective Dec. 15, 1936, and until notice of release.

DR. H. C. RINEHART,  
Chief Veterinarian  
WALTER W. McLAUGHLIN,  
Director of Agriculture.

#### Arlington Theatre To Be Host to Children At Christmas Party

Arlington Theatre will be host to Arlington Heights children at a Christmas party to be held Wednesday afternoon, Dec. 23, starting at 2:00 o'clock, was the announcement of James Apostol, owner of that amusement house, made this week.

In addition to a movie program the management will give a package of candy to every child between the ages of three and twelve years. Mr. Apostol is taking a lot of pleasure in planning this event.

### Palatine, Leyden, Barrington and Arlington Meet Dec. 29 and 30.

On Tuesday and Wednesday evenings, December 29 and 30, Arlington is to be the site of an innovation in the form of a four team invitational "blind" basketball tournament. On these two evenings these four teams, Palatine, Leyden, Barrington and Arlington are to play at Arlington in a holiday basketball tournament. For the express purpose of furnishing the boys and fans alike with some excellent basketball and keeping their teams in condition during the long two weeks layoff of Christmas vacation, Coaches Watson, McElroy, Clark and Grose, will pit their charges against each other. The fact that all four teams are traditional rivals and that the tourney is a "natural" will most certainly add to the drawing power of such a tourney.

It is called a "blind" tournament due to the fact that the drawings will not be made until just before play is to start. There will be two games on Tuesday evening, at 7:30 and 8:30. All four teams will meet at 6:45 that evening. At that time the captains of the teams will draw their opponents by chance. Whether Palatine will meet their old rivals, Arlington, in the first game or whether Leyden and Arlington will stage the second game won't be known until 6:45 of that first evening, when the first captain makes his draw. It may be that the first game will be between Barrington and Leyden. Whatever the drawing there will be two games on Tuesday, the 29th. Then on Wednesday night the two losers of the previous evening will play, and following them the two winners will play.

This plan was "hatched" a few days ago when the coaches were trying to figure out some means of giving their charges something interesting to do during the holidays. The boys all want to keep up their basketball. Routine practice is a drudgery. Consequently when this plan of a 4 team tournament was broached it was received enthusiastically. When submitted to their principals, they, too, were quite enthused over the possibilities of the tourney. Accordingly plans were drawn up and the tourney is on.

Beyond a doubt, this will prove one of the most interesting basketball events ever staged in Arlington or this vicinity. All four schools are having successful teams this year. Leyden is looked upon as one of the strong teams in the conference. Last Friday Palatine nosed them out in a one point hair-raiser. Barrington has won to date, and Arlington seems on the road to a winning season. Palatine reports the best crowds this year that they have ever played to. Barrington and Leyden have been accustomed to playing to packed gyms. Arlington, too, is appreciative of good basketball and undoubtedly there won't be room to accommodate all who wish to see these games. All the fans will have to come early for they won't know in advance which team is to play first.

### CONSTRUCTION BEGINS ON TEN HOMES

With local people, holders of old subdivision properties and new realty organizations embarking upon a sales and building campaign in Arlington Heights, that town is on the verge of the biggest building boom of recent years. This is not the statement of any high pressure salesman. It is a claim backed by two new homes now under construction by private individuals, by five basements that have been excavated the past week in Scarsdale; by application for permits upon the part of a new organization for five additional homes in Scarsdale and by a special meeting of the village board held last week and adjourned to this week to receive a report from the local planning commission regarding the plans for immediate development of the old H. Roy Berry's property (Garns farm) in the northeastern part of the village.

The houses now being erected by private individuals are a Haydite block residence on Douglas, north of Euclid which Alderman Geo. Schneberger is erecting for sale; and a residence on Haddow between Eastman and St. James, to be built by G. F. Brennan.

Mr. Schneberger is making no secret of the fact that if the present demand for new homes continues in Arlington Heights, he will erect other homes upon the tract that he owns.

The five excavations in Scarsdale for new homes are upon S. Pine and S. Belmont. These houses are to be erected by Wm. C. Tackett, Inc., who have recently completed the legal formalities of settling up for all special assessment taxes which has now paved the way to a big building campaign in that subdivision upon a basis that the houses can be properly financed and purchased by a man of fair means.

A second lot of five homes for winter construction in the same subdivision are now being planned by another organization which applied for building permits this week.

Holders of the Sherwood estates are formulating a similar program and as a first step are "cleaning up" special assessments upon that property.

There is every indication that from fifty to a hundred new homes will be erected in Arlington Heights next year.

And no matter which is first they will be treated to some real high class basketball tossing, for as has been the case, the past few years, these four schools are nearly always right at the top in the conference standings.

The games of both days will be played at Arlington. In case it is the success it is hoped to be, perhaps another year the same act will be staged at one of the other three schools. Something of this sort may be the answer the conference schools are looking for as a solution for their all-conference tournaments.

### Illinois Bankers Assn. Offers Scholarship

Wm. Busse, Jr., president of the Mt. Prospect State Bank announced this week that he had received word from the Illinois Bankers Association that a scholarship would be awarded in the University of Illinois to some senior attending an Illinois high school for the best essay upon a subject relating to banking and economics. The contest opens January 1, 1937 and closes February 1, 1937.

Further details as to the rules of the contest and the exact wording of the essay subject are expected to be received by Mr. Busse by the end of this month. Mr. Busse is district chairman of the Illinois Bankers Association and would be very pleased if some high school senior in his own district wins the award.

### DIES IN AUTO CRASH

Carroll Barton of Edison Pk. was killed Sunday morning when his Buick automobile missed the turn at State and Center roads south of Arlington Heights and crashed into the orchard at that corner. Mr. Barton died within forty-five minutes of the crash. A brother-in-law, who was riding with him escaped with a slightly bruised foot.

Ice on the pavement is blamed for the accident, Barton being unable to make the turn because of the slippery condition of the highway.

children at at a theater party or Wednesday this week.

Christmas exercises in the Presbyterian church the night before Christmas—the 24th.

Dr. H. A. Kossack was a sufferer from epidemic flu several days last week. But was in his pulpit on Sunday morning.

Mr. C. E. McWharther came home Sunday from an extended business trip down south.

Mr. and Mrs. John Croyell and Mrs. Herman Nick and her Mrs. Huss from Des Plaines, drove to Champaign last Sunday to Mr. Croyell's aunt and his sister, Mrs. Huss has a son in the state university of Champaign. They spent a pleasant day visiting family relatives and got home in time to catch the train next morning.

Mr. J. E. Watt, of South Chicago, who has been shut in for several weeks with illness is said to be stronger and hopefully improving.

Mrs. J. E. Groves has been suffering from the effects of a fall last week. It is said not to be a serious injury, and we hope she will soon recover.

Sunday, Mrs. S. Fehlman, with her son, Mr. and Mrs. Martin Fehlman and Mrs. Charles Lips drove to Prairie View to visit their aunt Mrs. Fred Stahl.

Mrs. Charles Schultz who has been quite ill since her husband's death, is said to be on the way to recovery.

Mrs. Einar Ihle has recently received a cheerful message from her daughter and husband, Mr. and Mrs. George Bozoe of Washington, D. C., who are coming to spend a short Christmas vacation. They will arrive in time to join in a happy family reunion held in the home of Mrs. T. J. Ott in Chicago. May all the Christmas joy be theirs, to abide all the year.

Mrs. Henry Schult of South Dutton, came home last week after spending some time for treatment in a hospital. She is recovering in her home at present.

What is more beautiful on a Christmas tree than its natural foliage?

Monday, Mrs. Lee Chattein spent with her little grand son in the city. From what we have of that little fellow, you may be sure baby and grandmother had a fine time.

Mrs. Al Adams was taken suddenly ill last Saturday and was hastened to the Lutheran memorial hospital where she underwent surgical treatment. At last reports she was doing well.

Marion Reichert, a student of the Lutheran theological seminary at Maywood, was a guest of her aunt, Mrs. William Kahn last Sunday. He attended the Presbyterian church where the pastor Dr. Kossack invited him to the platform, where he assisted in the morning service.

Mrs. Paul Miller and her daughter, Doris from the city were guests of her sister and family at the manse last Sunday.

Miss Carrie Blum and her nephew, Clifford Blum and his wife from Edison Park were guests of Miss Blum's brother, H. M. Blum and his wife Sunday afternoon.

Mrs. Emil Taege is reported to be quite ill in her home on West Fremont avenue.

Mr. and Mrs. W. E. Meier are rejoicing over their first grand child, a little boy, was born December seventh in Mount Prospect hospital, son of Mr. and Mrs. H. Ellis of Mt. Prospect.

Word was received Tuesday a. m. by the Taeges of the death of their father's brother, William Taege, who died in his home at Cedar Rapids, Iowa.

Mrs. Edward Fritz was hostess to the Neighborhood group in her home Wednesday afternoon this week. After seeing what a splendid hostess Mrs. Fritz proved to be at the Friendly class luncheon, we are sure she will prove as neighborly as she was friend—in that luncheon last week.

### ARLINGTON HTS.

What is the news? Why do you ask?

When news delays your daily task?

Gossips pour it in your ear.

When you will miss your train, you fear.

The Christmas tide flows all about; The Christmas bells are ringing out.

Good news comes everywhere we go.

Shut out the bad, too soon we know.

Of deaths of sorrow where hearts break;

Haste to them Christmas hope to take.

The Christmas carols from world end.

Come, hark to them, my friend.

When your home paper comes, the while.

You read own to its Christmas touch and smile.

Two weddings noted in this paper, and joyous events enough to fill a Christmas volume.

Woman's Club entertained the

Rev. H. C. Fricke was recently appointed as a member to serve on the educational board of the Northern District of the Lutheran church. The object of this board is to supervise oversee the schools in this district. Pastor Fricke attended the first meeting of this supervisory board Tuesday evening this week. We congratulate Pastor Fricke and feel sure he will prove the right man in the right place.

There is a busy sound of hammers going in the direction of a shelter house in Meadow Park, if it gives employment to some of our out of work citizens well and good.

Some of us friends and neighbors of Rev. H. A. Fricke and those children who were to sing over radio last Sunday were disappointed. By mistake in the hour and in our radio pick up. However we hear that we may have the pleasure of hearing the children sing over WLS Saturday, December 19, at ten thirty in the morning.

Fred Hildebrand and Mr. Durni our home builder are busy these fine, excavating days—work for a "Cape Cod" cottage to be erected on a lot, corner of Haddon avenue and Eastman street. To be erected for a family in Chicago. Friends of Mr. and Mrs. A. O. Miller who live on North Haddon avenue, and by this we are sure they will be good neighbors. They are anxious to get into the country where they can have a garden and flowers.

Miss Edna Taege with her brother Paul Taege, his wife, their daughter and husband went to Des Plaines Sunday to visit the Geo. Behrens family.

Harry Dean of Crystal Lake, is moving to Arlington Heights, occupying the Wilke house on Campbell street.

Robert, son of Mr. and Mrs. Walter Fiene, celebrated his 9th birthday Monday, Dec. 14. Uncles and aunts came with gifts and a lovely time was had.

Just because Geo. Klueg is not seen about the streets these days does not mean that he would not like to be. On physician's orders he will remain at home in bed for another week, with plenty of time to write letters to Santa Claus.

### By HERB HAMMERL

Well the boys turned on the heat Monday night. On 3 and 4 Vail Tavern and Blatz had quite a match. Vail Tavern taking two games. The last game going to Vail 1067 to 1045. This is the first real excitement we have had this season. Vail Tavern also shot high series for the season, getting 2920 and Blatz right behind them with 2886. Guffy Carlson got 657, Billy Duenn, 640 and Carl Huber 607. On 5 and 6 Krause Market took two games from Park View Tavern, winning the second game by two pins. Good old John D. was high with 570 which seems to be a good series on 5 and 6.

### Department Commander At Merle Guild Post

Mat Murphy, commander of the American Legion for the state of Illinois, was the principal speaker at the last meeting, talking on the subject nearest to his heart "Boy's State." This project was originally sponsored by our department and has proven such a huge success that it is one of the main points in Legion National activity in Americanism and Civic work for the year 1937. Be sure to come out to our next meeting and hear more about this great civic undertaking of the American Legion. Warren Parker, our acting adjutant of that night, took copious notes of the speech and our very efficient Americanism chairman, Miles Burpee, was very attentive during the talk—both will have a lot to tell you about it at our next meeting. It is a very interesting subject and Warren and Miles are capable of repeating it in as fascinating a manner as Matt told it.

After Commander Murphy left, our two attorney comrades—Assistant State Attorney Herbie Hoss and our Historian Henrie Nichols, entered into a debate, no kidding—it was Lincoln and Douglas all over—only this time the prize was not a free tenancy in the White House for four years—the boys had to be satisfied with a consolation prize of coffee and doughnuts after the meeting.

Gosh! In the pleasant memories of this illustrious debate we nearly forgot to state that at our last meeting we were also honored by the presence of our unit President, Dorothy Neubauer, and our unit Sergeant-at-Arms, Edith Seger. The girls came up on a rehab project and they struck a good night because in addition to speaking on "Boy's State" Commander Murphy stressed the utter importance of Rehab work by the Legion. No need to say that our Unit was supported in their work by our post.

Americanism chairman, Miles Burpee, is working hard on a project of his to start a basketball league of Boy Scout troop teams sponsored by Legion posts in this area—this is a splendid idea—come out to our next meeting and hear Miles expound his ideas to you. In last Saturday's Chicago Daily News was an article by Colonel Hugh Scott of Hines hospital that veterans can now re-instate their war risk insurance. We will get full details on this and then if you are interested see our Associate Service Officer, Junior Post Commander, Les Griffith, who will be glad to help you re-instate your insurance. You know Les did excellent work as Commander helping everyone fill out their Adjusted Compensation Papers and while he hollered to the skies that he was working his head off, etc., we will let you in on a little secret, Les told me this confidentially and I am passing it on to you in the same spirit of confidence, Les really enjoyed making out these papers and got a great kick out of it. Les is now in a position to get just as great a kick out of helping those members anxious to re-instate their insurance.

Dame Rumor hath it that our Junior Post Commander once removed, our present chairman of area number one of the Ninth District (in other words Vic Pecchia) is going to hold a meeting at his home in the very near future for all Commanders, Adjutants and Members in Charge in his area. The purpose being to acquaint the senior officers of each post in this area with each other so that more unity of action can be achieved in Legion and Civic activities, etc., naturally Vic isn't interested in membership, but methinks that this subject will somehow or other be brought up. Mrs. Pecchia is a good cook, too—oh, well...

Our next meeting will be Tuesday, December 22—the spirit of Christmas being with us, we will start the meeting early, say at 7:30 p. m. with a feed and will try our level best to get the new films regarding safety first that headquarters are giving out for post activities. Please circle that date—December 22, on your calendar and then perchance you may have forgotten it, our Adjutant Elmer Crane, will notify you once again with a nice letter. We will start this meeting with a spread and then at the meeting following tell you all about our projected "Fellowship Dinner" to be held sometime in January.

We are counting on seeing you at our next meeting. Please do not disappoint us. Thanks.

### Slim Sets 'Em Up

Tuesday afternoon all activity in the Herald office came to a stand still when Slim (Slim) Davis slipped out and appeared with a big luscious birthday cake and ice cream to go with it. It was Slim's birthday and according to a custom at the Herald plant anyone who has a birthday has to treat the gang.

There were thirteen that partook of Slim's birthday feast and no one even mentioned the hooch number, and no effort was made to find the office cat to make it fourteen. The gang wished "Slim" many more such birthdays, and it's no wonder Slim isn't slim at all, if wife feeds him many of those great cakes.

## Society Events

The Social Five Hundred will meet Thursday this week with Mrs. L. and Frisee.

Thursday last week, Mrs. Al. Adams entertained the Auxiliary of the V. F. W. on Dunton Avenue. Mrs. Adams is termed a royal hostess so we are sure this company much enjoyed her hospitality.

Mrs. Martin Wilke gave her little daughter Shirley a birthday party Saturday, December 12th. It was Shirley's 11th birthday. The guests were seventeen of her class mates. A wonderful birthday cake with candles. There were cakes, candies and games. And a jolly good time. Such as a wise mother like Mrs. Wilke knew so well to prepare. Mr. Wilke took the guests home in his car. Though they were sorry to leave they will look forward to Shirley's next anniversary, or maybe some other of the group will give a party.

Pastor and Mrs. H. A. Fricke entertained Mrs. Luther Pera, and her daughters, Kate and Susan, Monday this week. Mrs. Pera came out from Chicago to speak to the Dorcas Aid on Persia. Mrs. Pera's husband is a Persian missionary for the Lutheran church. She gave a most interesting description of her life in Asia Minor. A vivid and thrilling description of the way her people were used. She gave a more pleasing outlook in a

description of the costume and customs in picturesque dress and social customs. She, then after some of the Dorcas Aid ladies were arrayed in some of costumes, served tea in Persian style. Remaining time of the entertainment was occupied by The Dorcas Aid in their delightful activities. A Santa Claus brought the childhood glamor back to grown up women and men. There is no language apt enough to describe the jollity the men and all the Christmas joy of this Dorcas Aid Christmas party. If they could hear the praise given for their efforts sincere honest praise it would bring to them as much joy as a whole army of Santas.

The Hostess Luncheon given by the Friendly class Tuesday afternoon last week was a pleasant and most creditable affair. The attendance was large. The tables artistically decorated. Each table having an individual touch. The menu was choice and daintily served. The program feature was the presence of Martha Crane and Helen Joyce, studio artists from the studios of WLS. They described the detail of studio activities. They gave out studio souvenirs. The best and most pleasing of their remarks was that they came intending to give out hint on table decoration at Christmas time, but they confessed they received more worth while hints on the subject than any they could give. Now wasn't that nice? We all know "Martha" and said was the one who missed meeting her. These helpful ladies pleasantly referred to their visit here in their broadcast two following days. We sincerely hope the ywill come again.

### South Side Breezes

Word just came that Mrs. William Holland of Highland Park passed away Wednesday morning. Mr. and Mrs. Holland lived in Scarsdale for two years before moving to Highland Park and were well known in Arlington Heights.

Mrs. Daniel Crumlish was called to Wisconsin because of the death of her father, who passed away after a few weeks' illness. Little Georgie Palmer has been having the chicken-pox. However, he doesn't mind so much since he'll be well before Santa Claus comes.

Mrs. James Groves, So. Mitchell suffered injuries received in a fall last Friday. She is confined to her bed.

Mr. and Mrs. Teagen and children have moved to Park Ridge after a few months residence here.

The William's household is happy for Mrs. Williams is at home again from Rockford, where she had an accident. A steel brace to support her neck enables her to be about.

**December Days**  
By Grace Noll Crowell  
God knew that children could not wait.  
There would be such a flurry,  
Unless the dark December days  
Should pass by in a hurry,  
And so he made these shortest days  
That Christmas would not be delayed.

And Zip—they go, the little days,  
With long, long nights for sleeping,  
And scarcely any time at all  
For bursty secret-keeping;  
With only time enough to run  
And get a gift for every one.

I am so glad! I could not wait  
If they were long in going,  
I have a secret I must keep,  
That no one else is knowing.  
They cannot fly too fast, for, well,  
I have a secret I might tell.

By special request, this poem is given again this year.

The public is cordially invited to attend our church services and use our reading room.

**CHRISTIAN SCIENCE CHURCHES**

"God the Preserver of Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 13.

The Golden Text was: "Preserve me, O God: for in thee do I put my trust" (Psalms 16:1).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "But now thus saith the Lord that created thee, O Jacob, and he that formed thee, O Israel, Fear not: for I have redeemed thee, I have called thee by thy name: thou art mine. When thou wast tossed through the waters, I will be with thee; and through the rivers, they shall not overflow thee: when thou shalt walk through the fire, thou shalt not be burned; neither shall the flame kindle upon thee. For I am the Lord thy God, the Holy One of Israel, thy Saviour" (Isaiah 43:1-3).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The divine Mind that made man, maintains His own image and likeness" (p. 151).

### Wedding at St. Johns

The marriage of Miss Esther Marie Nichols, daughter of Mr. and Mrs. Chester E. Nichols of Paducah, Kentucky, and Mr. Wallace Oefelein, son of Mr. Michael Oefelein of Arlington Heights, was solemnized in the St. John's Evangelical parsonage on Friday evening, December 11, at 5:45, by the Reverend J. R. Kalwitz, in a single ring ceremony.

The bride was attended by Miss Roberta Dolores Hoffman of Elgin, Illinois, and Mr. Cecil Meyer of this city attended the groom. The bride wore a floor length gown of printed chiffon with matching accessories. Her wedding bouquet was of pink roses. Miss Hoffman wore a black silk gown with matching accessories.

Mr. and Mrs. Oefelein left on a wedding trip to Paducah, Kentucky, and will be at home to their many friends after January 1, at 215 N. Pine avenue in this city.

### Arlington Heights P. T. A. Meets

Parents and Teachers held their Dec. meeting at the S. S. school Tuesday evening. The regular business was conducted, followed by an interesting Christmas program of slides from Dickens "Christmas Carol," and Van Dyck's "The Other Wise Man."

The P. T. A. choir sang several Christmas carols. Refreshments were served by the committee.

### Cardinals At Home Saturday

A big double bargain bill is on hand for this week-end for each school in the Northwest conference. Each school plays at home one night and away the other. Arlington's Cardinals face two games with veteran teams that beat them last year.

On Friday night Arlington journeys to Gurnee to play the Warren "Bull Dogs," then come home for one of their tough home games on Saturday night with Elia of Lake Zurich.

Each game should be a humdinger. Last year Warren beat Arlington in the first conference game of the season 19-16.

They have the same front line this year that did most of the scoring for last year's team.

Porter's and W. Phillips were the "Bull Dogs" regular forwards, and brother C. Phillips is at center again. They also have J. McCann, a reserve forward of last season. With this array of scoring stars, they will undoubtedly be plenty tough. Last year W. Phillips had a red hot night and connected for six field goals to lead their scoring.

Ordinarily their big center is their best scorer with his brother and Porter's vying for runner-up honors.

Then on Saturday night in the first home conference game of the year, and the last game of this year, 1936, the Cards tie into one of the favorites to rank near the top of the 1936-37 conference, Elia.

Last year Elia finished sixth in the conference ahead of Warren, Palatine, Arlington, Grant, Wauconda and Antioch. They lost only one man, their center, Miller, but have shifted Gleason, a husky 6 foot, 2 inch boy to center and have put Wildhagen, a lightweight ace in at forward.

This gives them a big scoring offense. Leutheuser, diminutive junior forward is one of the showmen of the conference. He is likely to break out in a scoring spree most any game, as he usually does. He is a shifty hard working lad who usually draws a lot of fouls. Having a dead eye from the free throw line this is bad for the opposition.

In the early games this year, Grever, their veteran guard has been the real star of their team.

Elia will more than likely start Wildhagen and Leutheuser at the forwards, Gleason at center, and Grever and Boegen at the guards. These first three named though veterans of one year of conference play are still only juniors in school and have a long time of service ahead of them for Coach Wesner.

If Arlington's fast traveling Cardinals can get past these two hurdles in their 1936-37 schedule they will go into the new year undefeated with the best record in Arlington team has had for years in early season play. This year's team is a most colorful squad with plenty of scoring dynamite in every player. When they begin to hit their real stride they can roll up the points in no uncertain fashion.

This week's two games will put them once more against two teams who will more than likely employ a zone defense tightly bunched under the basket to stop Arlington's basket drives. The Cards have met a zone defense only once this year. This was against Niles Center. The boys showed a liking for work against a zone in this game and it will not be strange to them.

The outstanding feature of the Arlington squad is that Coach Grose has twelve good boys on the squad. Practically every one can be sent into the game without destroying the effectiveness of the team's playing. It is hoped that Friday and Saturday provide days with good road driving conditions, so that a big crowd of Arlington fans can journey to Gurnee on Friday night and come to the old Arlington gym on Saturday night to see two of the best teams in the conference in action.

### Fall Causes Death of Mrs. Holland, Former Arlington Resident

Mrs. Wm. C. Holland, former Arlington Heights resident, and now residing at Highland Park, met her death Wednesday morning when she fell down a flight of stairs, her head striking an iron post, which fractured her skull.

Mrs. Holland had been ill on Sunday, but was able to join her family at dinner Tuesday evening.

The funeral will be private at Highland Park on Friday.

### Christmas Seal Sale Report

With less than two weeks remaining to Christmas, the Arlington Heights Public Health Committee reports Christmas Seal returns about equal to that of the 1935 sale at this same date.

Mrs. John Allen stated that "It is indeed encouraging to see the enthusiasm and cooperation extended to our thirtieth annual seal sale. Not only are the seal returns coming in with marked regularity, but the attitude of the citizens of Arlington Heights, shows their interest in this great fight to eradicate tuberculosis."

The revenue obtained from the Chicago Tuberculosis Institute's Christmas Seal sale here, is used for local health educational work.

Chicago Tuberculosis Institute officials announce the urgency of making the sale successful. Despite the fact that the tuberculosis death rate has been decreased, that disease still is the greatest cause of death in the age group 15-45 years. It is estimated that more than 500,000 persons in the United States today are ill with the disease.

The Chicago Tuberculosis Institute's Christmas Seals, with the double-barred red cross, will be sold until the first of the year. Please return your contribution as soon as possible.

### Merle Guild Squadron News

JOE WISERSKY APPOINTED CO-CHAIRMAN MERLE GUILD SQUADRON, SONS OF THE AMERICAN LEGION

At the last meeting of Merle Guild Post, Commander Miller appointed Comrade Joe Wisersky to act as co-chairman of the Sons of the American Legion for the ensuing year. Our post is to be congratulated in having as capable a man as Comrade Wisersky to serve on such an important committee. Joe has a heart as big as a house, is a hard worker and well liked by the boys, under his guidance we will see our Squadron prosper.

Recently the boys used some of the money made by them on their bicycle drawing and old time dance to buy a number of games and after the last meeting we played them all and every one had a swell time and if we will follow the advice of our new Squadron chairman and bring out some of our own games to the meeting, we will have a still better time—don't forget to bring out that game to your next meeting, you enjoy playing it and you can bet your life that one of your friends will enjoy playing it, too.

Here is the plan of meeting boys—we usually start at about 7:30 p. m. with Sgt. at Arms, John Rosch, and the color guards advancing the colors, Chaplain Clifton Storms reading the prayer and Captain Charles Daggett reading the preamble to the Constitution, after that we hold a very short meeting and then the games are brought out, played and as usual something in the line of refreshments are served.

Shortly after the first of the year, we will start on our Junior Drum and Bugle Corps and of course as spring rolls around we will make plans to have a baseball team and challenge such squads as Palatine, Des Plaines, Park Ridge, etc.

Our squadron meets on the first and third Friday of each month. Our next meeting will be Friday, December 18, the Friday before Christmas and Chairman Comrade Wisersky promises to make this a real meeting, he is working hard to put this over, let's show him we appreciate his efforts by coming out en-masse.

Don't forget the date—Friday, December 18, we will be expecting you.

### OBITUARY

Margaret Comstock, nee Dinan, was born in Chicago, Ill., on Mar. 9, 1881. She made her home in Chicago and in later years made her home in Lake Zurich with her husband. She has been ailing for quite some time and on December 9, 1936, she passed away at a Waukegan hospital at the age of 55 years, 9 months. She leaves to

mourn her departure her husband, Mr. Lee Comstock of Lake Zurich, a daughter, Mrs. Kathryn Meyer of Mt. Prospect, a son-in-law, Mr. Meyer of Mt. Prospect, grandchildren and a brother. Funeral services were Saturday morning at the Barrington Catholic church, the Rev. Father Hayes officiating. Funeral arrangements by Prehm & Karstens, Interment was in Calvary cemetery.

### Robert Taylor Coming To Arlington Theatre In "Gorgeous Hussy"

Robert Taylor is a young man with a future. In his own mind that future is as clear-cut as the facet of a diamond.

There is something rather amazing about Taylor—and something definitely satisfying.

"I was raised on beef, potatoes and beans," Bob remarked on one occasion. "I like them. They are good, staple foods."

Taylor's psychology, his outlook on life, are as sound and solid as his preference in nourishment.

This in itself is amazing—amazing because rapid success has always been considered strong medicine for young men. Satisfying because no amount of polish, no measure of success, can rob Taylor of the stamp of Filley, Nebraska.

Which is to say that Taylor is a normal, typical young American.

He's a small town boy. And that's a compliment. His people are virile middle class, serious, sane and intelligent. His father and mother were ideally married. His home life was happy and constructive. All these things are a part of Robert Taylor.

"The Gorgeous Hussy" is at the Arlington Theatre Sunday and Monday. He recently scored with Barbara Stanwyck in "His Brother's Wife," and soon will be Grete Garbo's leading man in "Camille."

## Big Crowd Attends Scout Court of Honor

An audience of over two hundred Scouts, Scouters and parents attended the Court of Honor of the Central District of the Northwest Suburban Council last Monday evening which was held in the Arlington Heights high school.

Scout Commissioner F. O. Proctor of Arlington Heights opened the program with a message of welcome as a representative of the community. Mr. E. R. Selleck, of Des Plaines, District chairman of the Court of Honor was introduced and took charge of the program.

The opening ceremony including the presentation of colors, was conducted by Troop 7, W. A. Miles, Scoutmaster. The ceremony was conducted under the leadership of Asst. Scoutmaster W. A. Miles, Jr. and Charles Proctor, Jr. A. S. M. A Tenderfoot Investiture ceremony was conducted by an investiture team of Troop 7 at which Scout Executive Donald E. Kyger presented the tenderfoot badges. Scout Commissioner F. O. Proctor presented the Charter for Troop 7 and the membership certificates of the Scouts.

The Court of Honor ceremony was conducted by Chas. Passmore of Park Ridge, Council chairman of the Court of Honor. In this ceremony each Troop presented all of its membership and the Scoutmaster received the certificate of awards from the Court of Honor and in turn presented them to the Scouts.

Following the presentation of awards S. H. Rosenthal, chairman of the District committee was introduced and in a short message expressed his appreciation for the fine audience and also emphasized the fact that all Troops and Scouts should plan to carry out a definite project for a Christmas good turn. He mentioned particularly the collection, repair and distribution of toys.

The closing ceremony was conducted by Scouts of Troop 7 during which the audience observed a period of silence in memory of Scout Edward Miers of Troop 6 of Des Plaines, who had passed away.

The Central District consists of the following communities: Arlington Heights, Mt. Prospect, Wheeling, Des Plaines and Schiller Park.

Awards were given as follows:

Troop 7 of Arlington Heights, W. A. Miles, Scoutmaster.

Second Class—Kay Schert, Jack Moodie, Merton Taylor and Thos. Jarvis.

First Class—Howard Bittner, Jack Moodie and Alan Reinshagen.

Merit Badges—Robert Eich, scholarship; Alan Reinshagen, personal health; Howard Bittner, first aid, leathercraft, farm home and its planning, handicraft, freemanship; Howard Heller, scholarship; Jack Moodie, first aid, leathercraft and handicraft; Chas. Proctor, leathercraft; W. A. Miles, A. S. M., leathercraft.

Troop 9 of Palatine, John Manz, Scoutmaster.

Merit badges, John Senne, safety, personal health, handicraft and first aid; Thomas Humphries, first aid, cooking, public health and safety.

Troop 18, Wheeling, Marshall Bolling, Scoutmaster.

Second class, Arthur Fassbender, Elwin Kruse, Edw. Wesolek.

Mount Prospect Awards

Among other advancement awards, second class was awarded to Donald Besander, Dudley Budlong, Ralph Hauptley, Elvin Anderson, Russell Dahlstrom, Herbert Winn and Stanley Jorstad of Troop 23, Mt. Prospect, Russell Smith, Scoutmaster.

## Eagles To Give Christmas Party To Needy Children

The Fraternal Order of Eagles, Aerie No. 2169, of Park Ridge will give a monster Christmas party Sunday afternoon for the needy children of the northwest towns. Over one hundred Arlington Heights children will be guests of the Arlington Heights members of that order, who will transport them in cars to the Park Ridge club rooms, where they will meet Santa Claus, receive gifts and enjoy an entertainment.

## Purnell-Wilson \$1,000 Party Saturday Night

The Climax-Night of the Purnell-Wilson \$1,000 Christmas Party is to be this Saturday evening in the show rooms, 651 Pearson street, Des Plaines.

At last report True Wilson stated that over 1,200 invitations had been issued and conservatively estimates a possible attendance of 1,500 people.

That is quite a job, well done, when one realizes that each of those 1,500 invitations represent a ride in a New Ford V-8 automobile. A ride being the only action required from the person receiving the invitation.

Success of the party is assured due to the excellent cooperation of business firms connected in a business manner, with the Purnell-Wilson organization. These firms have presented some fifty-eight valuable prizes, cash and merchandise. The Purnell-Wilson agency added a \$100 cash credit on a new Ford and ten greasing policies to the already massive offering.

These prizes will be issued to the party goer in possession of the other half of the invitation to which the prize corresponds. As it stands now, naturally, no one knows "what is whose."

This holiday motor fiesta will be enhanced by popular music from a well known local dance band interspersing the evening with well chosen selections.

A great twelve foot tree will lend the proper yule spirit. All the prizes, with the exception of the cash ones, will be grouped at the base of the tree. A real Santa Claus will be the hander-out-er.

Included in the prizes are radios, a bicycle, card table sets, card table covers, a woman's purse, de frost-er fans, electric automobile heaters, 300 gallons of gasoline, 240 quarts of Pennsylvania motor oil, and many cash prizes.

According to advance preparations it will be the big party of the year in Des Plaines.

## FOREST VIEW SCHOOL

District No. 56

The Christmas entertainment will be held at the school on Tuesday evening, December 22, at 8 o'clock. All our friends are invited to come.

We are very busy learning our parts and songs.

Our new electric clock is here and we are proud of it. The children exchanged names for gifts and we all find it hard to keep up the secret of whose name we have.

The Bookmobile visited our school on Monday. Everyone was eager to select another interesting book. It is almost as exciting as Christmas to be able to choose new, fascinating books each trip.

The first grade are already reading in the new Elson Book 1.

There will be more new chairs for the audience at our entertainment as the board has purchased two dozen more with some of the money we made on the quilt and dance.

The Achievement Club.

## "Way Back When"

In answer to our invitation to submit old newspapers of the county following the receipt of a letter from a citizen who has a copy of the Cook County Chronicle of 1876, Mr. George Volz has produced a copy of the Cook County Herald of April 13, 1878, which gives the news of George's appearance on this earth. The item reads as follows:

"Chris Volz and Henry Lorenzen are in for it during the next 12 months. Chris will dance attendance with gruel and peppermint upon a brand new boy while Henry will sing lullabys and give Godfrey Cordial to a wee bit of female household furniture."

George seems to have thrived up on the gruel and peppermint administered in those early days and that "wee bit of female" mentioned is none other than Theresa Lorenzen Sitz of Everett, Washington, a sister of Village Treasurer, Fred Lorenzen, and who did so well on "lullabys and Godfreys Cordial," that she is now a robust matron over six feet tall. Many other interesting things appear in that paper of nearly sixty years ago.

The time table of each town giving the train schedule on the C. & N. W. Ry. appears at the top of the news items of each town.

Way back in those old days they must have experienced some kind of a depression also, for we find an item by the editor which says that "eggs, butter, radishes, onions, green peas, greenbacks and other garden truck will be hypothecated

for subscriptions to the Herald." And then there is another story that tells about a real estate boom being about to break and giving the passage of the silver bill credit for the improved conditions.

R. B. Mitchell, an Arlington Heights real estate dealer offered a lot to any one who would start a drug store. E. M. Thomas started the drug store and was given a deed to a lot by Mr. Mitchell.

Palatine news in this old issue of the Herald includes the following: "John Flury, a Chicago baker, will open up a shop in 2 weeks." The John Flury referred to was the father of Mrs. Harry Schoppe and operated a bakery on the site of the present National bank building.

Another item tells of the presentation to Chas. S. Cutting of a volume of Washington Irving by the scholars of his school.

Other interesting items show that in those days Chess was a more popular game than bridge and a team of Chess players from Arlington Heights defeated a Park Ridge team 7 games to 3.

Another item mentions a trip to Iowa by S. H. Filbert.

A report of attendance at the Des Plaines school shows a total enrollment of 154 and an average attendance of 124.

A couple of ads. in the old Herald were as follows:  
W. H. Dunton, Arlington Heights  
Justice, Conveyances and Notary Public.

## FARM SUPPLY MAY LEAVE ARLINGTON

**Committee Is Negotiating  
For Site in Des Plaines;  
Confers with City  
Council.**

The Lake-Cook Farm Supply Co. may at some future date move its Arlington Heights office to Des Plaines. The need of establishing a bulk petroleum products plant in the northern part of Cook County first led the company to consider Des Plaines for such a purpose. The separation of the office and warehouse as now exists in Arlington and with the possibility of a bulk petroleum plant several miles distant brought about the recent appointment of a committee to study the entire situation.

This committee is understood to be ready to recommend the centralization of office, warehouse and oil storage plant in one location, preferably Des Plaines. It was for the purpose of learning the sentiment of the Des Plaines city council that the committee met with that body last week. The Des Plaines Suburban Times in its last issue, under the head, "New Business Looks Over Des Plaines" stated as follows:

"Council members and onlookers listened to an interesting statement from Mr. C. F. Iverson, assistant manager of the Lake-Cook Farm Supply company at the Monday evening meeting.

"Mr. Iverson stated to the council that the company was very anxious to come into Des Plaines with their business, as they felt this an ideal site, being so centrally located in the territory they serve.

"Should they get permission to build, the place of business would be at the Soo Line depot, where transportation and truckage would be furnished by the railroad.

"From the interest manifested, the council seemed very much taken up in this addition to the business of Des Plaines and Mr. Iverson was given assurance that he would receive all the encouragement possible if the business would not be a detriment to the community.

"Should they meet with the proper support by the council and city, the board of directors would decide to locate here. It will mean a considerable addition to the business life of the city. The business will bring many farmers, who will doubtless patronize local stores to purchase other needs while in town."

Inquiry of Mr. Iverson at the Arlington Heights office of the Lake-Cook Farm Supply relative to the effect of such removal brought out these facts:

Western Cook county farmers could be equally as well served from present offices in Lake Zurich and Roselle.

Reduction in freight rates applying to Des Plaines is also a factor to be considered.

Arlington Heights is on the edge and not in the center of the truck growing district and considerable more business in seeds would be probable if the office were located in the Des Plaines territory.

Separation of office and warehouse as exists in Arlington Heights is expensive and unsatisfactory in many ways.

While Mr. Iverson would make no comment upon the matter, it is no secret that the use of the old freight depot by the Farm Supply company as a warehouse has been severely criticised in Arlington Heights and with other incidents has created an impression among members of the farm supply executive board that Arlington Heights is not very anxious to retain the office in that town.

### Runs Stop Sign Fined \$10 and Costs

It cost Louis Sturm of Bartlett \$10.00 and costs in the Court of Judge E. P. Steinbrink at Palatine Monday for failing to stop for the stop sign at Route 53 and Higgins road.

Sturm said that he didn't see the stop sign soon enough and it was no use trying to stop when he did see it, because it was so icy he couldn't have stopped anyway.

This sort of an explanation failed to satisfy the state police officers who made the arrest, and the judge, so the \$10 and costs was assessed in an effort to make the motorist more observing when approaching an important intersection.

#### Origin of "Sabotage"

Sabotage originally was the malicious throwing of shoes, or "sabots" by French workers into the machinery of their employers.

## FIVE CARS CRASH NEAR RACE TRACK

A grand free for all smash up of cars took place on the Northwest highway Sunday night near the Arlington Park race track.

The accident was caused by ice on the pavement and the ice was due to the shade on the pavement caused by the parking of big box cars on the north siding at that point by the C. & N. W. Ry.

Within an hour three additional cars either turned over or had minor accidents. The omission of sand or cinders on this stretch of pavement is partially to blame for the accidents.

The pavement was practically free from ice on both sides of the point shaded by a string of freight cars.

In this shaded area the ice had not melted and this condition was the direct cause of the accident.

An autoist going along on the highway and feeling perfectly safe on a dry pavement suddenly went into a skid and a whirl. Two other cars crashed into the skidding car with such force that the car had to be towed into the garage at Arlington Heights.

The owners of the wrecked cars were F. F. Kuppel, 2206 N. Rockwell St., Chicago, who drove a Chevrolet, Sam Bell of the Sovereign hotel, 6200 Granville Ave., Chicago, also driving a Chevrolet, and Frank Mrazek, 3655 Belleplain Ave., Chicago, driving a Studebaker.

Two other cars also got tangled up in the grand mix up but were able to continue under their own power.

The condition of the pavement near the race track has been noted for some time by many motorists

who have occasion to frequently pass this point and now that a real smashup has taken place there some steps may be taken to remedy the condition before a fatal accident takes place at this spot.

This newspaper has written both the C. & N. W. and the state highway department regarding the condition on the part of the powers that be before a worse smashup takes place on this icy stretch of pavement.

### M. J. O'Connor Dies; Deputy Comptroller Of Cook County

Cook county lost another important member of its official family last week when Michael J. O'Connor, chief deputy county comptroller, passed away after a short illness.

Mr. O'Connor had been an employee of Cook county for twenty-five years and was probably the best informed man on financial matters in the county building.

Mr. O'Connor was the budget expert for the county board and what he said in matters pertaining to what the county could and could not do financially was just about the last word. He was continually consulted by the board in all matters pertaining to budgets and financing and the mass of figures and data that he always had at his command was marvelous. In the loss of "Kayle" O'Connor, as he was known in the county building, Cook county has lost a valuable employee and a man who will be hard to replace.

Mr. O'Connor was very fond of racing, it was a rest and relaxation for him and he could frequently be seen in the enclosure at Arlington Park during the racing season.

## Wm. Helfogt Dies Another Old Time Resident Passes On

Wm. Helfogt, for many years a farmer and a resident of this territory, died at his home at Mt. Prospect last Thursday.

Mr. Helfogt resided on the Schoppe farm near Palatine for ten years and also farmed many other farms near Palatine. He has resided in Palatine, Arlington Heights and Mt. Prospect and was one of the well known old timers in this community.

The funeral was held Sunday afternoon, Dec. 13, at St. John's church in Arlington Heights, burial was at the Palatine south side cemetery. Many of Mr. Helfogt's old friends attended the services.

William Helfogt died at his home in Mt. Prospect on Thursday, December 10, at 7:20 a. m. as the result of double pneumonia following complications, having thus attained the blessed age of 74 years.

Obituary  
William Helfogt, son of Henry Helfogt and Doris Zemon, was born in the Province of Hanover, Germany, on October 11, 1862. In 1880 he emigrated to the United States, coming directly to Palatine where he settled on a farm which engaged his services for several years. On May 23, 1889, he was united in the bonds of holy matrimony to Miss Emma Kruse. In 1893 they

moved to Chicago where they lived for 24 years, returning to Palatine in 1917. In 1924 they moved to Arlington Heights, and in 1928 they purchased a home in Prospect Manor with the intentions of spending the remaining years of their life in peaceful retirement. About two years ago the deceased began to fail in health and about two months ago he became completely bedfast.

The deceased served for 16 years as deacon in the St. Paul's Evangelical church of Palatine.

Funeral services under the direction of F. F. Danielson of Palatine were held on Sunday, December 13, at 2:00 p. m. at the St. John's Evangelical church of Arlington Heights, the Rev. J. R. Kalwitz officiating. Interment was made in the South Side cemetery of Palatine.

The dearly bereaved are, the beloved wife of the deceased, Mrs. Emma Helfogt; two sons, Harry of Barrington township, and Raymond of Mt. Prospect; one daughter, Ida, Mrs. Charles Baumgarten of Des Plaines, and six grandchildren, besides a host of sorrowing relatives and friends.

#### Cause of Decay

Lumber experts call termites a minor factor of destruction in building materials, compared with such factors as rust, decay and other physical and chemical changes.
